NSS and Library Department celebrated the 89<sup>th</sup> birth anniversary of the Former President of India and world renowned scientist Bharat Ratna Dr. Abdul Kalam on 15<sup>th</sup> October 2020 at B S Patil College, Paratwada. On this occasion, a Reading day was celebrated in the library section of the college and all teaching staff read the various texts for 30 minutes. Prof. Khanderao, Head of Marathi Department presented Dr A P J Kalam’s thoughts. He said his role in teaching and his dedication can’t be explained in words. By reading, “a person can inherit good ideas in the society” “one can study everything in the society through reading, in order to create a better society and preserve the culture of the country”. A good society can be built when students have the knowledge and are proficient in their subject. They can do it only by extensive reading.
