### 2 NSS Reports

National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS. The birth centenary year of Mahatma Gandhi, in 37 universities involving 40000 students. NSS is an extension dimension to the higher education system to orient the student youth to community service while they are studying in educational institutions. It is being implemented by the Ministry of Youth Affairs and Sports, Government of India.

## Aims & Objectives

1. To understand the community in which they work;
2. To understand themselves in relation to their community;
3. To identify the needs and problems of the community and involve them in problem solving process.
4. To develop among themselves a sense of social and civic responsibility;
5. To utilise their knowledge in finding practical solution to individual and community problems;
6. To develop competence required for group-living and sharing of responsibilities;
7. To gain skills in mobilising community participation;
8. To acquire leadership qualities and democratic attitude;
9. To develop capacity to meet emergencies and natural disasters; and
10. To practice national integration and social harmony

## Motto of NSS

The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi. Very appropriately, the motto of NSS is "NOT ME, BUT YOU". An NSS volunteer places the 'community' before 'self'.
