ABOUT SOCIETY

Bharatiya Vidya Mandir, Amravati

(Established in 1958)

- Bharatiya Vidya Madir, an organization formed by a group of young devoted socially oriented teachers in 1958. It was a time when the management of the education institution was completely under the control of powerful lobbies with vested interest. With an earnest desire to put an end to the corrupt practices in the field of education, they felt the need to have an organization governed by the teaching community itself.
- It was this mission of service to the society without the narrow consideration of caste, creed and community that paved the way for birth of this new society of young teachers.
- The Society runs three education institutes at Amravati, Paratwada and Morshi.
- The society has always tried to expand the horizon of its activities and facilities for the benefit of the students in this region.
