## **Report**

### **Remedial Coaching cell for Slow Learner & Advanced Learner Student**

**Academic Session – 2020-21**

B. S. Patil Mahavidyalaya, Paratwada has designed a concrete plan for the educational upliftment of slow learners. The faculty members identify the slow learners in the beginning of the session by observing their activities in the classroom and test. The departments sometimes forward the list of slow learners and advanced learners to the committee. The committee and the Principal recommend the action plan for the departments for the upliftment of slow learners and advanced learners. The departments conduct extra-classes for these students. The faculty members have conducted extra-classes during 2020-21. They observed the activities and participation of students in online activities.
