CAREER ORIENTED PROGRAMME
Rural Handicraft
CERTIFICATE COURSE
B.A. PART-1
Academic Session 2021-22
Annual Report.

Under the "Earn and Learn" scheme, employment oriented vocational courses in rural handicrafts were started in our college from 2007-08 through the University Grants Commission.

With the help of modern technology, machineries are contributing to the progress of the country, but now machines are doing what many humans were doing. So the number of unemployed is increasing. Therefore, as a solution to this problem, rural handicrafts are very useful in terms of self-employment of the unemployed who are in dire need of vocational courses.

In this subjects training is given to make various items such as useful decorative items from bamboo, a variety of artificial flowers, vases, dolls, toys, artificial ornaments. Trained experts are called to teach these items. Various workshops are conducted to promote self-employment and Exhibitions are organized.

On 24/03/2022, a workshop on wood handicrafts was organized under the chairmanship of Principal Dr. R. A. Umekar Sir, and an exhibition was organized. The event was inaugurated by Mr. Kishor Mankar, Manufacturer of wooden ornaments, Mumbai. Also Chief Guest Dr. Prof. Pramod Garode (Coordinator, Placement Career Counseling cell) And Home Economics Department Head Dr. Prof. dayashree Kokate madam was present. An exhibition of wood ornaments was organized on the occasion. The exhibition was inaugurated by Dr. Ramesh Rao Bijve Sir, President of Bharatiya Vidyamandir.

General Secretary Shri. Yadhuraj Ji Metkar, Member Dr. Satish Kulkarni, Principal R. B. Mahajan Sir was present. The event was attended by a large number of faculty (professors) and students of the college.

on 25/05/2022, Embroidery Workshop was organized under the chairmanship of Dr. Prof. Dayashree Kokate Madam, Head Department of Home Economics. The chief guest of this program was Dr. Suvarna Jawanjal Madam, Chhatrapati Shivaji College, Asegaon. who gave valuable guidance to the students about self employment.

Thus, under the subject of Rural Handicrafts, students are provided information on documents required to start a self-employment business. Also Provides the information of Loan facilities, Training Center, Training Courses and national and international markets.
