Dist. Amravati

## Structures and Methodologies of Operations of Teaching Learning Process and Learning Outcomes

The College prepares Academic Calendar and displays it on the website and notice board. The college continuously reviews the quality of teaching learning process and takes steps for improvement. The admission process and the examination schedule is notified in the academic calendar. Newly admitted students have to attend the Induction Programme compulsorily in which students are made aware of higher education system, the system of continuous evaluation, co-curricular activities, discipline of the college. Students are provided with the timetable. The library provides syllabus of all courses before the semester commences. The college makes important announcement in the morning assembly. The discipline committee watches the functioning of the classes and the campus behavior of the students. The feedback committee obtains the feedback at the end of the session and submits the report to the Principal. The students are free to meet the faculty members and the Principal.

The Teaching Learning process is reviewed regularly. The IQAC gives suggestions and recommendations to the teaching and non-teaching staff. The major initiatives taken over the last five years include the following-

- Regular IQAC meetings
- Regular Staff Council and Sub-committee meetings
- IQAC interaction with Stakeholders
- IQAC conducted trainings for teachers
- IQAC motivates faculty members to use social media to establish communication with students
- Periodic Internal Examinations
- Implementation of Home Assignments
- Automation of library and admission process
- Green initiatives in campus
- MOUs with prestigious institute
- Entrepreneurship development programmes
- ISO certification
- Smart Classrooms
- Wi-Fi Campus
- Mentor System

In addition to IQAC the college also considers the recommendations of college development committee, a think tank comprising renowned educationist.
